### Prices:

This package only:  
**£100**  
 Discounted with the 5 years  
 ceramic coating package:  
**£80**

### Plastic & trims: GYEON Q<sup>2</sup> Trim

- \* Gyeon Q<sup>2</sup> Trim preserves the long-lasting, supreme effect of colour saturation, which translates into ensuring a mat or satin finish of materials. Even after 12 months, the effect of colour saturation does not diminish, which often means exceeding the durability of traditional products. The hydrophobic effect protects against colour saturation and provides smooth maintenance.

**12 months / 15.000 miles**

### Prices:

This package only:  
 from **£80**  
 Discounted with the 5 years  
 ceramic coating package:  
 from **£60**

- To achieve this durability a proper safe maintenance wash is required.
- For your piece of mind, each package is covered by warranty...

## CERAMIC COATING PACKAGES EXPLAINED...

### The **BENEFITS** of CERAMIC COATINGS

**GYEON** high end ceramic coatings applied by highly skilled professional detailers will guarantee outstanding visual results and long lasting protection

**GYEON** coatings are very glossy and enhance the intensity of the paint, but what is more important, they ensure maximum protection on all surfaces of your vehicle. It will collect dirt and contamination much slower. The regular maintenance becomes much easier, due to the slickness of the paint. Coatings protect against UV rays and harsh chemicals, preventing oxidation and dullness.

#### **Gyeon Q<sup>2</sup> Mohs:**

- Is one of the hardest automotive paint coating available.
- Makes the paint resistant to scratches (swirls).
- Much slower paint degradation during maintenance.
- Highest self-cleaning ability
- Keeps 80% of it's original hydrophobic properties

**12 months / 15.000 miles**

- Durability: 4/5
- Gloss: 5/5
- Beading: 4/5
- Hardness: 5/5
- Self-cleaning: 4/5

#### **Gyeon Q<sup>2</sup> Syncro:**

- This offers incredible slickness and repellency
- The 2 layers of Q<sup>2</sup> Mohs Base applied, prolongs the total durability throughout the full period of 2 years.
- Provides hardness and significant durability.
- Q<sup>2</sup> Skin is a thick and flexible top coat.
- Offers a great self-cleaning abilities.
- Makes the paint extremely resistant to scratches (swirls).

**24 months / 20.000 miles**

- Durability: 4/5
- Gloss: 5/5
- Beading: 5/5
- Hardness: 5/5
- Self-cleaning: 4/5
